

## Digital Photography

How to Take and Display  
Great Photographs  
Lesson 6

---

---

---

---

---

---

---

---

### Lesson 6

Showing Your Pictures

- Critique the light & color images.
- Printing with your computer.
- Printing from an outside service.
  - Simple drugstore.
  - Photographic labs.
- Organizing your prints.
- Variety of presentation.
- Sending your images: e.mail & CDs.
- Doing a slide show on the computer.

---

---

---

---

---

---

---

---

### Lesson 6 Objectives

- Understand the printing options.
- Be able to display your work on monitors.
- Explain how to organize your images.
- Document alternative media and know how to find them.

---

---

---

---

---

---

---

---

## Homework Review

- Read Wignall pages 68 – 101.
- Get more abstract with your pictures.
- Go on a color scavenger hunt. Do at least four shots with each major rainbow color: Red, Orange, Yellow, Green, Blue, Violet.

---

---

---

---

---

---

---

---

## Printing With Your Computer

- Windows Picture & Fax Viewer.
- Windows Paint program.
- Image processing programs: Photoshop, Paint Shop Pro, etc.

---

---

---

---

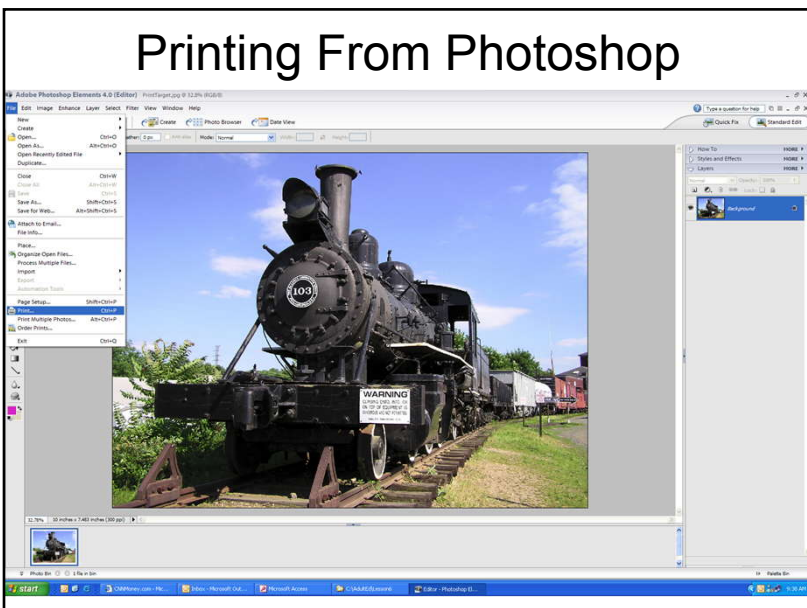

---

---

---

---

## Printing From Photoshop

---

---

---

---

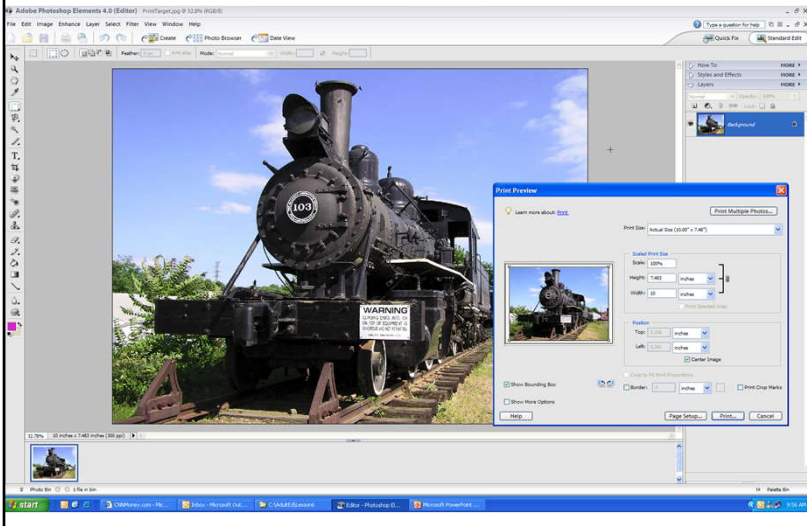

---

---

---

---

## Page Setup in Photoshop

---

---

---

---

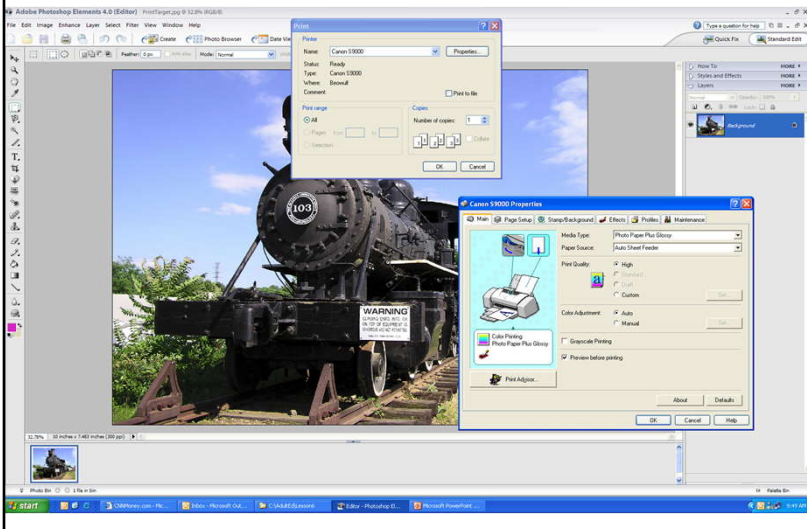

---

---

---

---

## Your Printer's Setup

---

---

---

---

---

---

---

---

## Service Printing

- Photo kiosk.
- Custom lab printing by e.mail.
- Custom lab by memory card or CD/DVD.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

### Title Shot

- It is usually a sign.
- But, a flag will do.
- Could be text on shot.
- Starting the story.
- The story sequences.

---

---

---

---

---

---

---

---

### Moving the Story Along

- Tell your story in sequence... Usually.
- Use pictures to define the story flow.
- How does this picture move the story along?

---

---

---

---

---

---

---

---

## Volume Counts

- Take lots of shots.
- You can edit later.
- Tell your story.
- Carry your camera.
- How do you know it is Greece?
- Pat always wears red.

---

---

---

---

---

---

---

---

## Add Interest to Your Story

- Most of the story is about people & vistas.
- Cute abstracts help.
- Food is life for us!
- Compare 2 trips.
- What events mark your travels?

---

---

---

---

---

---

---

---

## Varying Kid Shots

- How do you tell the story of your kids?
- Where will it fit into a sequence?
- The lunchbox.
- Beyond snap shot.

---

---

---

---

---

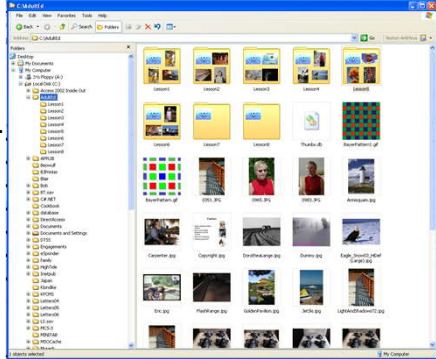

---

---

---

## Organizing Your Life

- I am compulsive.
- My slide collection.
- Files on my computer.
- Collections notebook.
- Directories.
- Wignall's suggestion.
- CDs and DVDs.

---

---

---

---

---

---

---

---

## My Slide Collection

- Tackle boxes.
- Down to the group.
- Excel listing.
- Collections notebook.
- Index picture.
- Printed very few.

---

---

---

---

---

---

---

---

## Files On My Computer

- I have four machines.
  - Beowulf, my base computer.
  - Snowdancer, this laptop.
  - Anubis, my server.
  - Elizabeth, Pat's laptop.
- Nikon, Olympus, & Pictures.
- Nikon\2006 Feb Park City.
- Pictures\Film Scans.

---

---

---

---

---

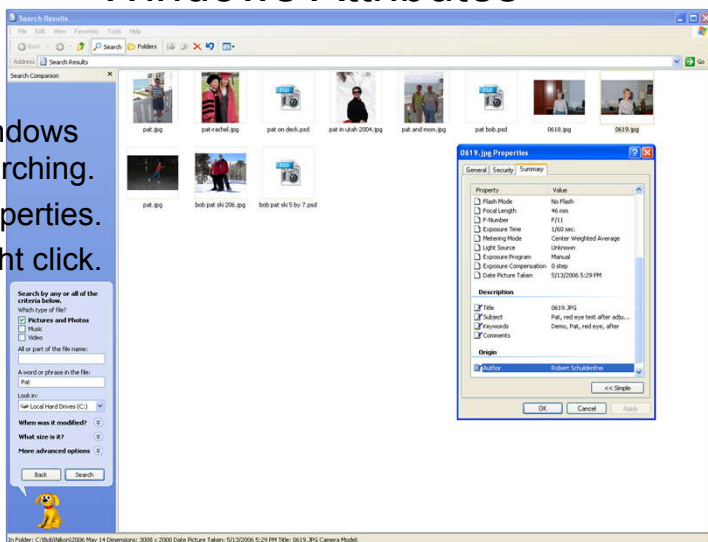

---

---

---

## Windows Attributes

- Windows searching.
- Properties.
- Right click.

---

---

---

---

---

---

---

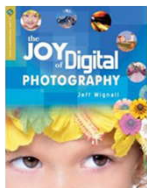

---

---

---

## Wignall's Suggestion

- Assign keywords.
- Burn a CD.
- Duplicate working file.
- Version number.
- Write on print.
- Edited in folder & CD.
- Label both CD and envelope.

---

---

---

---

---

---

---

---

---

---

## Variety of Presentation

- Beyond prints/slides.
- Photo albums.
- Amazing Mail.
- Mugs, pads, etc.
- T-shirts.
- Labels.
- Christmas cards.
- Household inventory.

---

---

---

---

---

---

---

---

---

---

## Old Fashion Photo Album

- Still a great way.
  - In a person's hand.
  - Finished look.
  - Ease of access.
- Organize by time.
- Event organization.
- Drawbacks.

---

---

---

---

---

---

---

---

## AmazingMail

- Amazingmail.com.
- What to take with you.
- Laptop & Internet.
- Cost.
- Send many more.
- Business uses.

---

---

---

---

---

---

---

---

## Of Mugs and Mouse Pads

- Photographic gifts.
- Lighthouse calendar.
- [www.discountphotogifts.com](http://www.discountphotogifts.com).
- It's all about them!
- Range from the tasteful to the tacky.

---

---

---

---

---

---

---

---

## T-Shirts

- Iron on designs.
- Better for small items.
- [www.designsondemand.com](http://www.designsondemand.com).
- Style I like.

**Front/Back Design Option**  
4"x4" image maximum on front chest area  
8"x10" image maximum on front or back

Front chest and full back adds \$1  
Full size front and back adds \$1.50

---

---

---

---

---

---

---

---

## Labels

- CD labels with Word.
  - Edit picture.
  - Save as a .jpg.
  - Copy picture.
  - Paste into Word.
- Mailing labels.
- Notebook covers.
- Picture name tag.
- Images in database.

---

---

---

---

---

---

---

---

## Cards, Christmas and Other

- Use Avery card stock.
- Mount on card stock.
- Print directly on card.
- Makes great notes.
- Lighthouse calendar.
- Sending by e.mail.

---

---

---

---

---

---

---

---

## Household Inventory

- Keep records in safe.
- Open drawers.
- Close up on jewelry.
- I used this for rehab.
- Document work.

---

---

---

---

---

---

---

---

## PowerPoint Presentation

- Pictures are 72 ppi.
- Resize in Photoshop.
- Landscape 13.5x10.1
- Portrait 7.483x10.0.
- Background is black.

---

---

---

---

---

---

---

---

---

---

---

---

---

---
